BOSTON COMMUNITIES UNITED (BCU)
PETITION FOR EQUITY, ACCESS AND JUSTICE

SUMMARY: We are concerned issues such as racial discrimination, failing public schools, gentrification, and discriminatory police practices are not being addressed by our elected officials. We are demanding that all mayoral candidates in Boston sign our "10 Demandments" to immediately address the need for new policies and commitments that alleviate the suffering within communities of color. For more information, please visit: http://www.bostoncommunitiesunited.com.

ACTION: We the undersigned registered voters of Boston DEMAND our Mayor and all elected officials act now!
